

Sedona Square Gas Fire Table

With its thick, faux flagstone top and tempered glass panels, the Sedona collection will bring the look of a custom built stone fire table to your outdoor living area. The Square Fire Table, made of fiber-cast concrete, offers warmth and ambience with a maximum of 65,000 BTUs of heat. Features include push button ignition, leveling feet, lava rock filler, protective cover and Natural Gas conversion kit. Complete your outdoor space with a matching tank cover that conceals your propane tank and can double as a side table. Accent further with a coordinating propane fire column. Tank covers and columns sold separately.
