# **Homesteader Cook Stove**

## FUNCTIONAL AND FUN

Don't settle for just heating. Watch as guests enjoy freshly baked bread and party favors, or let the kids join in on putting together the perfect cookies. Come in from the cold and don't let the memories stop there. Have a natural wood burning stove, and use it to cook your favorite baked goods.

## DUAL PURPOSE, BAKING WHILE HEATING

## NO ELECTRICITY, OFF THE GRID

## GOING GREEN

Heat your home and dinner with a renewable energy source. Don't rely on the gas company this winter.
